

## **GREEN FAITH RESOURCE LIST**

### ***"WHAT WE'RE READING AND WATCHING"***

**Check out this list of articles, videos, and books members of our working group have been exploring around the topic of Green Faith.**

- **Michigan's coast is being armored with seawalls, making erosion worse-** [BridgeMI article](#)- Over a thousand Michigan property owners have secured state permits to protect their Great Lakes shoreline this year, desperate for a reprieve from the rapid erosion that has accompanied record-high water levels throughout the Great Lakes.
- **Michigan coastal towns try sand 'renourishment' to restore beaches-** [BridgeMI article](#)- As high Great Lakes water levels gobble up Michigan's sandy beaches, some shoreline communities are turning to an engineered solution known as "beach renourishment" for temporary relief.
- **Project Drawdown-** [Website](#) - Climate solutions to help the world reach "Drawdown"— the point in the future when levels of greenhouse gases in the atmosphere stop climbing and start to steadily decline, thereby stopping catastrophic climate change — as quickly, safely, and equitably as possible.
- **The Climate Reality Project-** [Website](#)- Catalyzing a global solution to the climate crisis by making urgent action a necessity across every sector of society.
- **Citizens' Climate Lobby-** [Website](#)- CCL empowers everyday people to work together on climate change solutions. Our supporters are organized in more than 400 local chapters. Chapters help to build support in Congress for a national bipartisan solution to climate change.
- **Sonic Sea-** [Movie website](#)- A powerful, visually stunning, Emmy-winning documentary about the impact of ocean noise on whales and other marine life.
- **The Human Element, Film and Webinar** - [Event/Film Link](#) - Environmental photographer James Balog captures the lives of everyday Americans on the front lines of climate change, inspiring us to reevaluate our relationship with the natural world. Free viewing from June 8th-June 17th, with director discussion on June 17th.
- **Just Eat It: A Food Waste Story** - [YouTube video](#) - Filmmakers and food lovers, Jen and Grant, dive into the issue of food waste and pledge to quit grocery shopping and survive only on discarded food for 6 months.
- **Before-and-after photos show dramatic decline in air pollution around the world during coronavirus lockdown** - [CBS News article](#) - As humans continue to stay indoors under lockdown due to the coronavirus pandemic, the Earth is slowly healing.

- **Author Jonathan Safran Foer's lecture** - [YouTube video](#) - He is the author of *Everything Is Illuminated*, *Extremely Loud & Incredibly Close*, the novel *Here I Am*, non fiction *Eating Animals*, and most recently, *We Are the Weather*.
